Parent Permission and Consent Form

Dear Families:

We welcome your interest in College Now @ City Tech! For your child to be accepted this semester, you must read, **complete and return this form and attend our mandatory student orientation.**

Your son and/or daughter expressed interest in joining the College Now Program at New York City College of Technology (City Tech) Program this coming semester. The program, part of a City University/Board of Education collaborative to prepare students for college, is a wonderful opportunity available to students in NYC public high schools. The College Now brochure (online at [http://citytechprecollege.org/](http://citytechprecollege.org/)) explains the program in more detail and if you ever have a question, please call us directly at 718-260-5206.

Before we consider your child’s application, your child will need your consent on a few items. After you carefully read and complete (sign) the form, please have your child return it along with the registration form, transcript and course selection form before the deadline (see above) to our office directly.
